

REMARKS/ARGUMENTS

In the Notice of Allowance, the Examiner allowed claims 1, 2, 4-10 and 31.

Applicants amend claim 1 to remove an extraneous instance of “and” between limitations.

Applicants add claims 32-51.

Added claims 32- 41 include the requirements of allowed claims 1, 2, 4-10 and 31 in system form. The preamble of claim 31 and first two limitations are disclosed in at least canceled claim 11 as presented in the Amendment dated April 8, 2008. Moreover, the preamble of the dependent claims 33-40 matches the preamble of the canceled system claims 12, 14-20.

Added claims 42-51 include the requirements of allowed claims 1, 2, 4-10, and 31 in article of manufacture form. The preamble of claim 42 is disclosed in at least canceled claim 21 as presented in the Amendment dated April 8, 2008.

Added claims 32-51 are patentable over the cited art because they include the requirements of allowable claims 1, 2, 4-10, and 31.

Applicant submits that the pending claims 1, 2, 4-10, and 31-51 are patentable.

Should any additional fees be required beyond those paid, please charge Deposit Account No. 09-0466.

The attorney of record invites the Examiner to contact him at (310) 553-7977 if the Examiner believes such contact would advance the prosecution of the case.
